

DHI PANAMA — INTERNATIONAL PATIENT PROGRAM

# Hair Restoration Travel Guide for Patients from Georgia.

Your journey from the Peach State to Panama — professional, comfortable, and medically supervised.

+1 (866)971-9433 | [dhihairrestoration.com](http://dhihairrestoration.com)

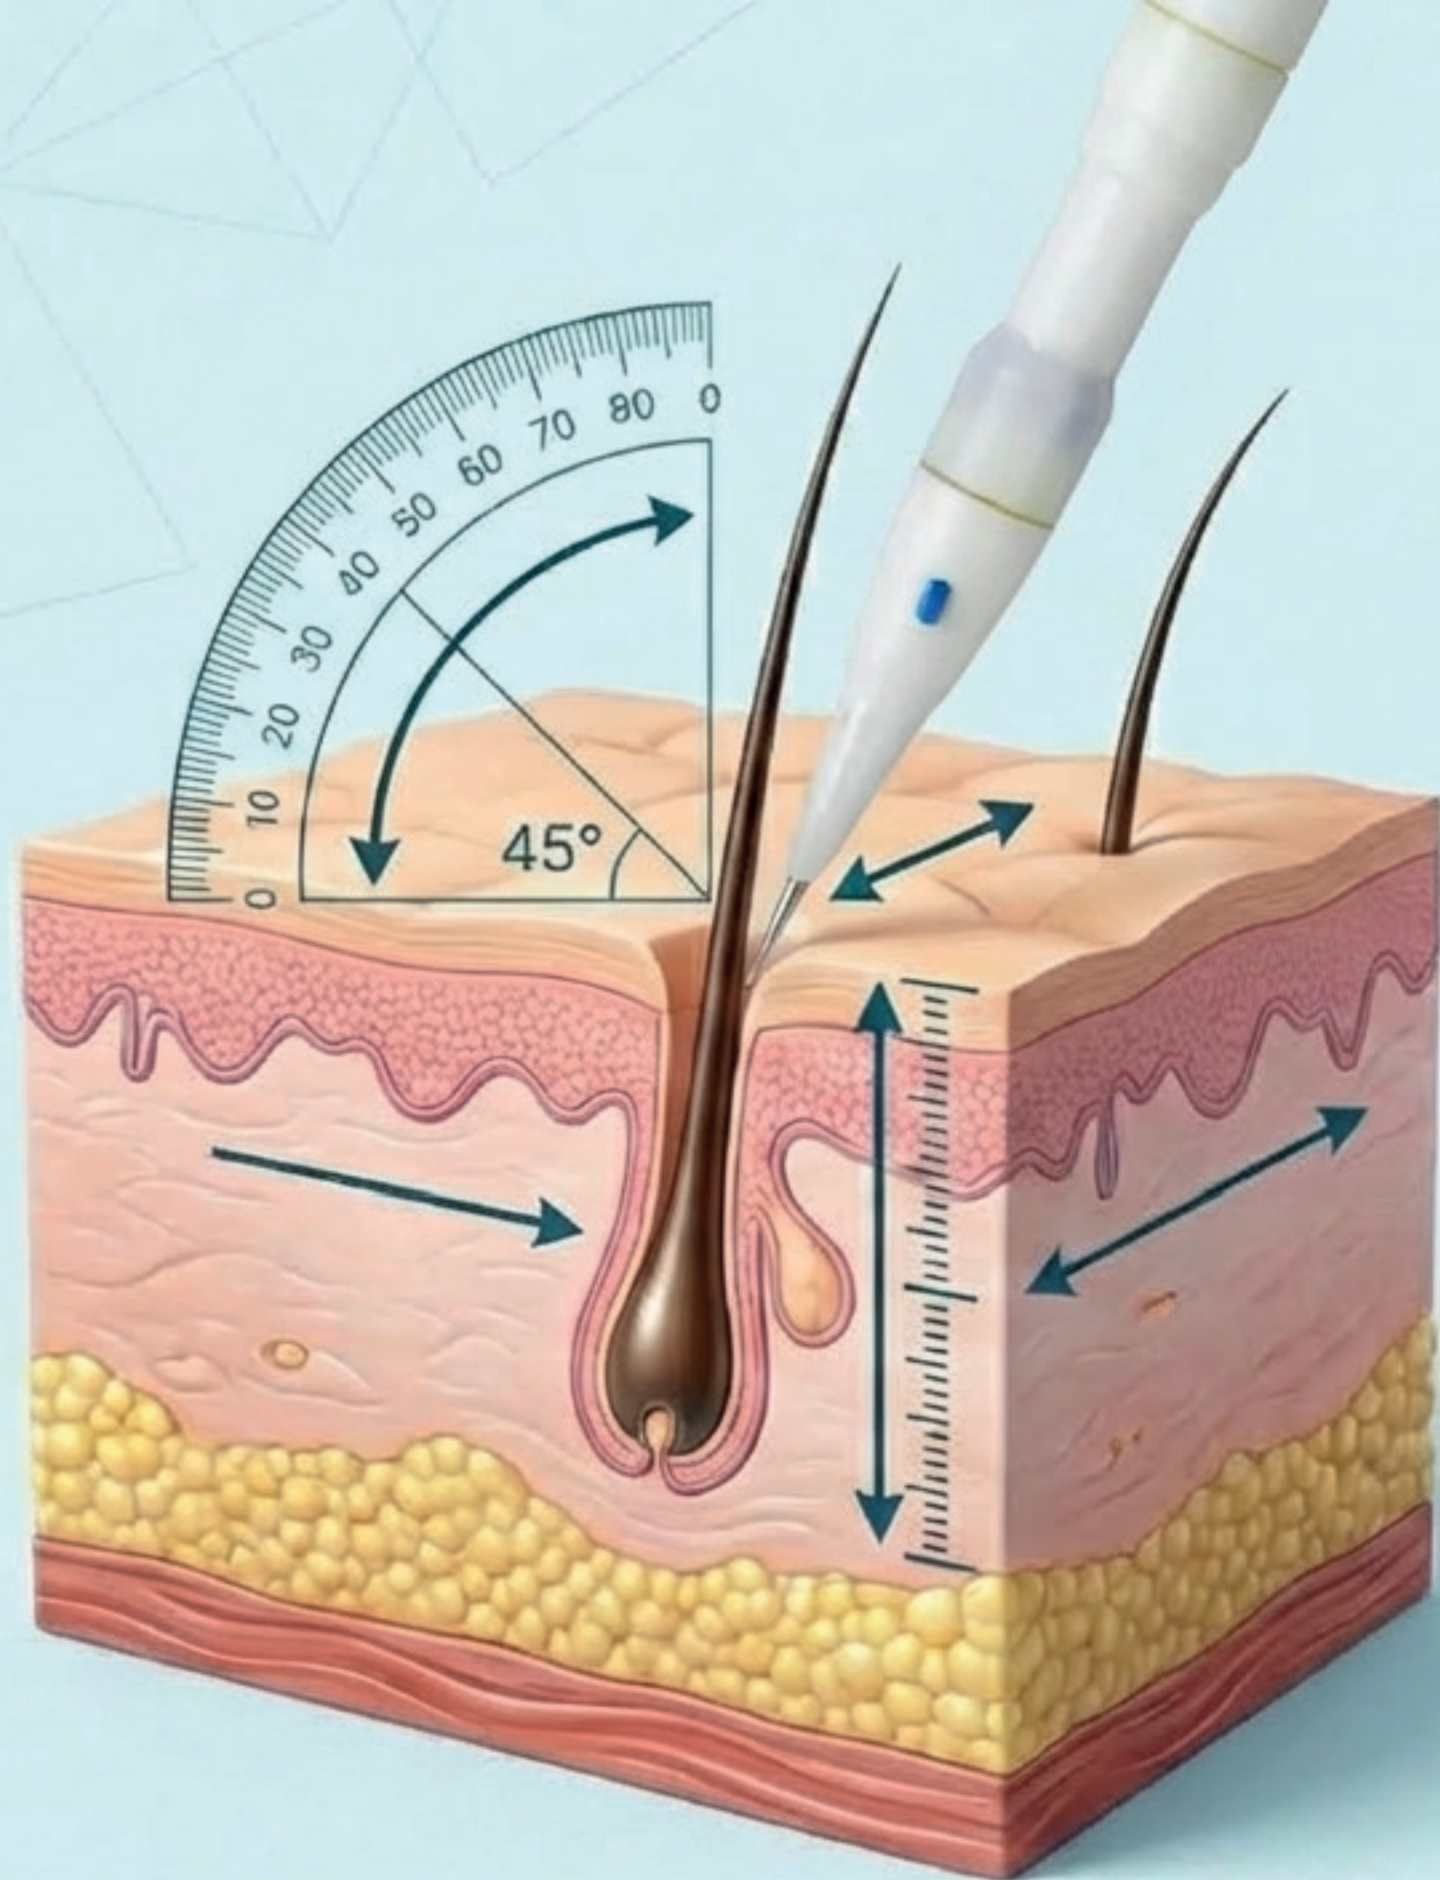

# Elite Global Certifications Under One Roof

**“Only one doctor in Panama holds ABHRS & ISHRS dual certification.”**

Rigorous global standards applied directly to your customized treatment plan.

## The DHI Advantage: Unmatched Precision.

Each follicle is implanted individually using the advanced DHI technique, allowing for customized natural hairline design based on your facial structure.

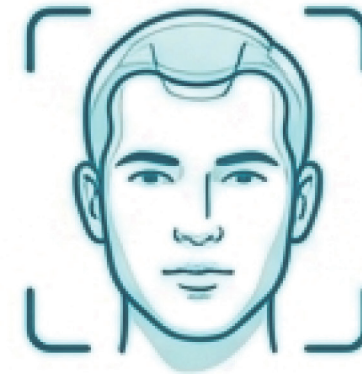

-  Direction, Depth & Angle
-  Natural Look: 90% DHI-80% FUE
-  97% Graft Survival Rate
-  No Linear Scars

# The Photo Capture Guide

Four specific angles to guarantee an accurate clinical assessment.

Submit securely at [dhihairrestoration.com](https://dhihairrestoration.com)

## Front

Clear view of the current front hairline.

## Top

Bird's eye view of the scalp pattern.

## Donor

Back of the head to assess follicle density.

## Sides

Left and right profiles.

# The Direct Route from the Peach State.

Hartsfield-Jackson (ATL) is the Southeastern gateway to Panama, offering daily direct service to Tocumen International Airport (PTY).

ATL

~4 Hours 10 Minutes

**Delta Air Lines** (Morning departures) |  
**Copa Airlines** (Afternoon departures)

Panama uses the U.S. Dollar.  
No currency exchange required.

PTY

Book 4-8 weeks in advance for best rates.

## A Smooth, Medically Supervised Arrival.

From the moment you clear immigration (typically under 20 minutes), your dedicated patient coordinator takes over.

**1. Airport Pickup:** Private transfer arranged as part of the protocol.

**2. Premium Accommodation Location:** Rest in private, quiet surroundings just 20-25 minutes from the airport in the prestigious Punta Paitilla district.

**3. World-Class Dining Nearby:** Enjoy upscale options during your stay.

# Procedure Options

Structured schedules designed to minimize stress and maximize clinical results.

Option A –

## 3-Day Accelerated Program

---

- Day 1: Arrival, private transfer, check-in, and rest.
- Day 2: First and only procedure day: hairline design, DHI technique, and curated lunch.
- Day 3: Medical review and return flight.

Option B –

## 4-Day Extended Program

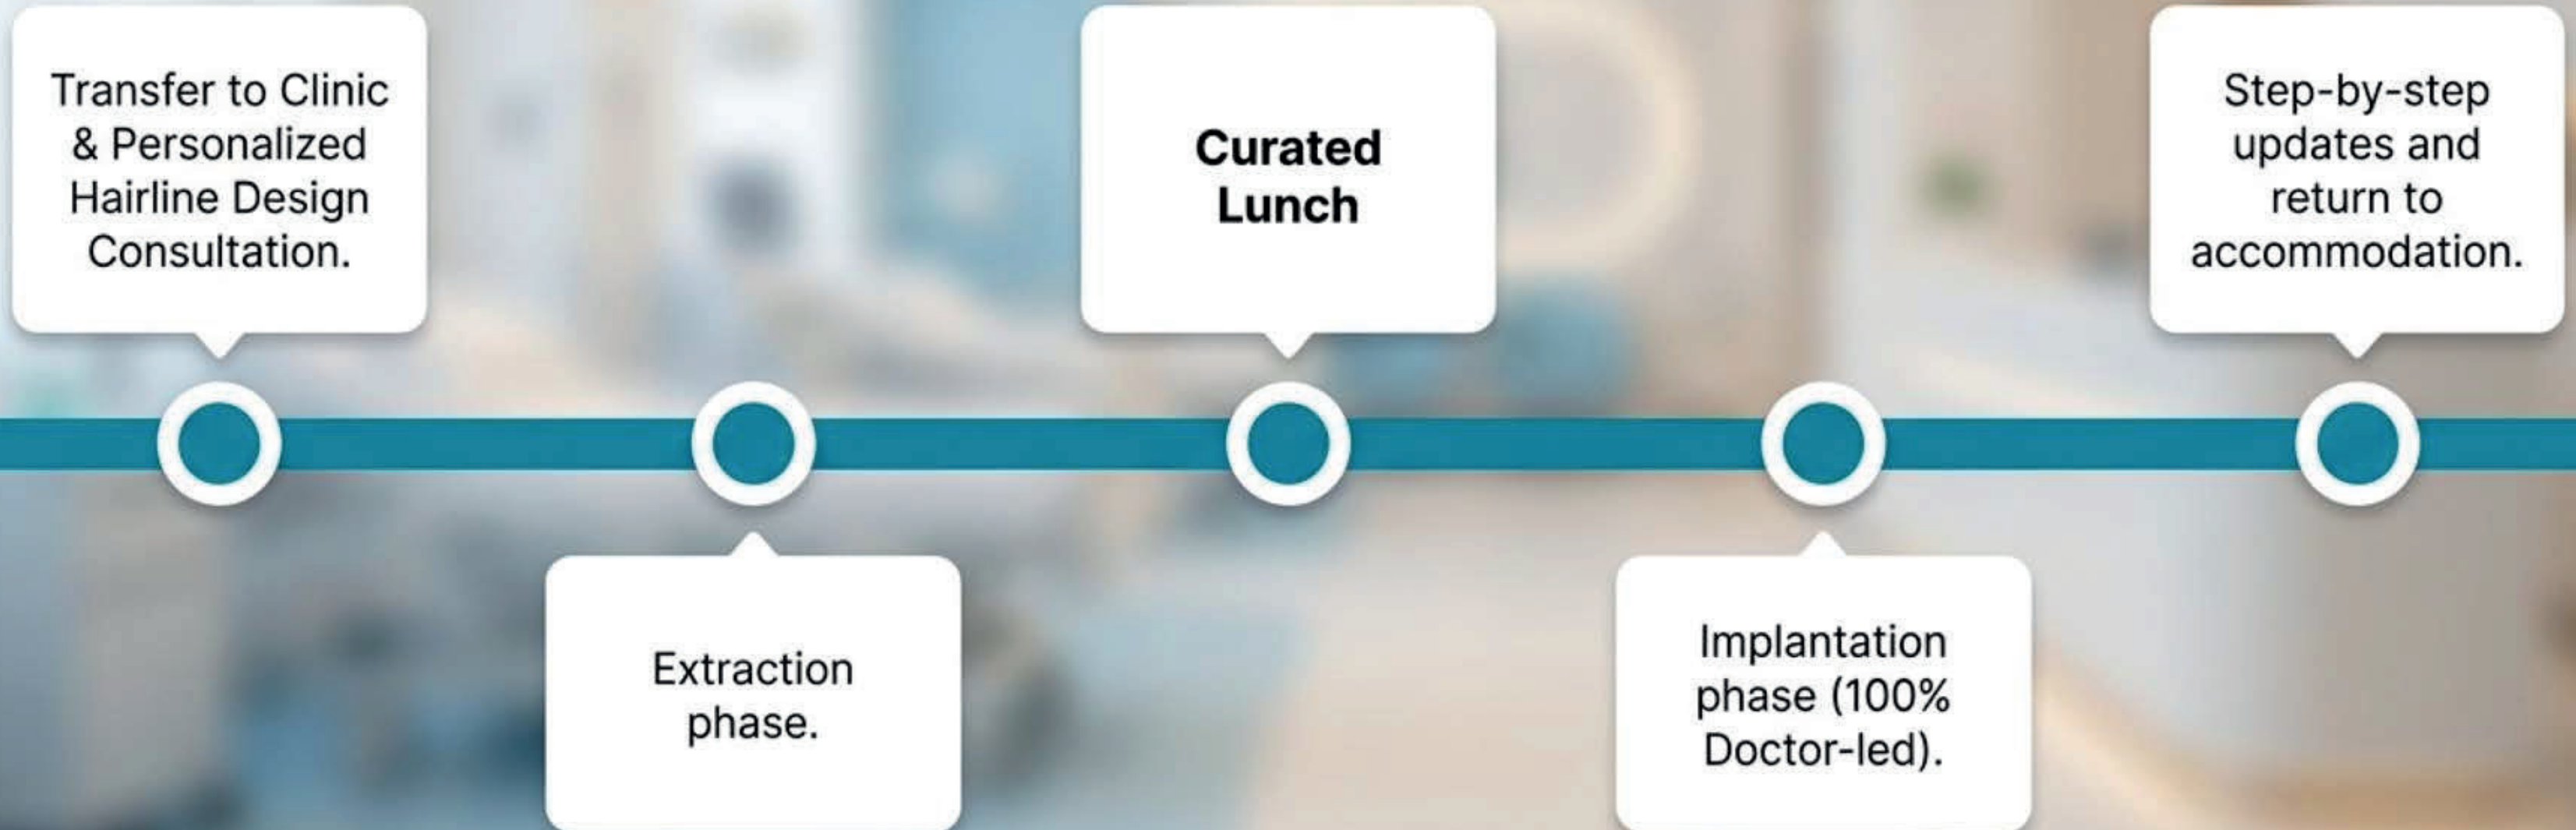

---

- Day 1: Arrival and rest.
- Day 2: First procedure day and curated lunch.
- Day 3: Second procedure day, based on the needs of the case.
- Day 4: Final medical check and return flight.

# Inside Your Procedure Day

A comfortable, step-by-step process under continuous medical supervision.

Premium Medical Concierge Interface

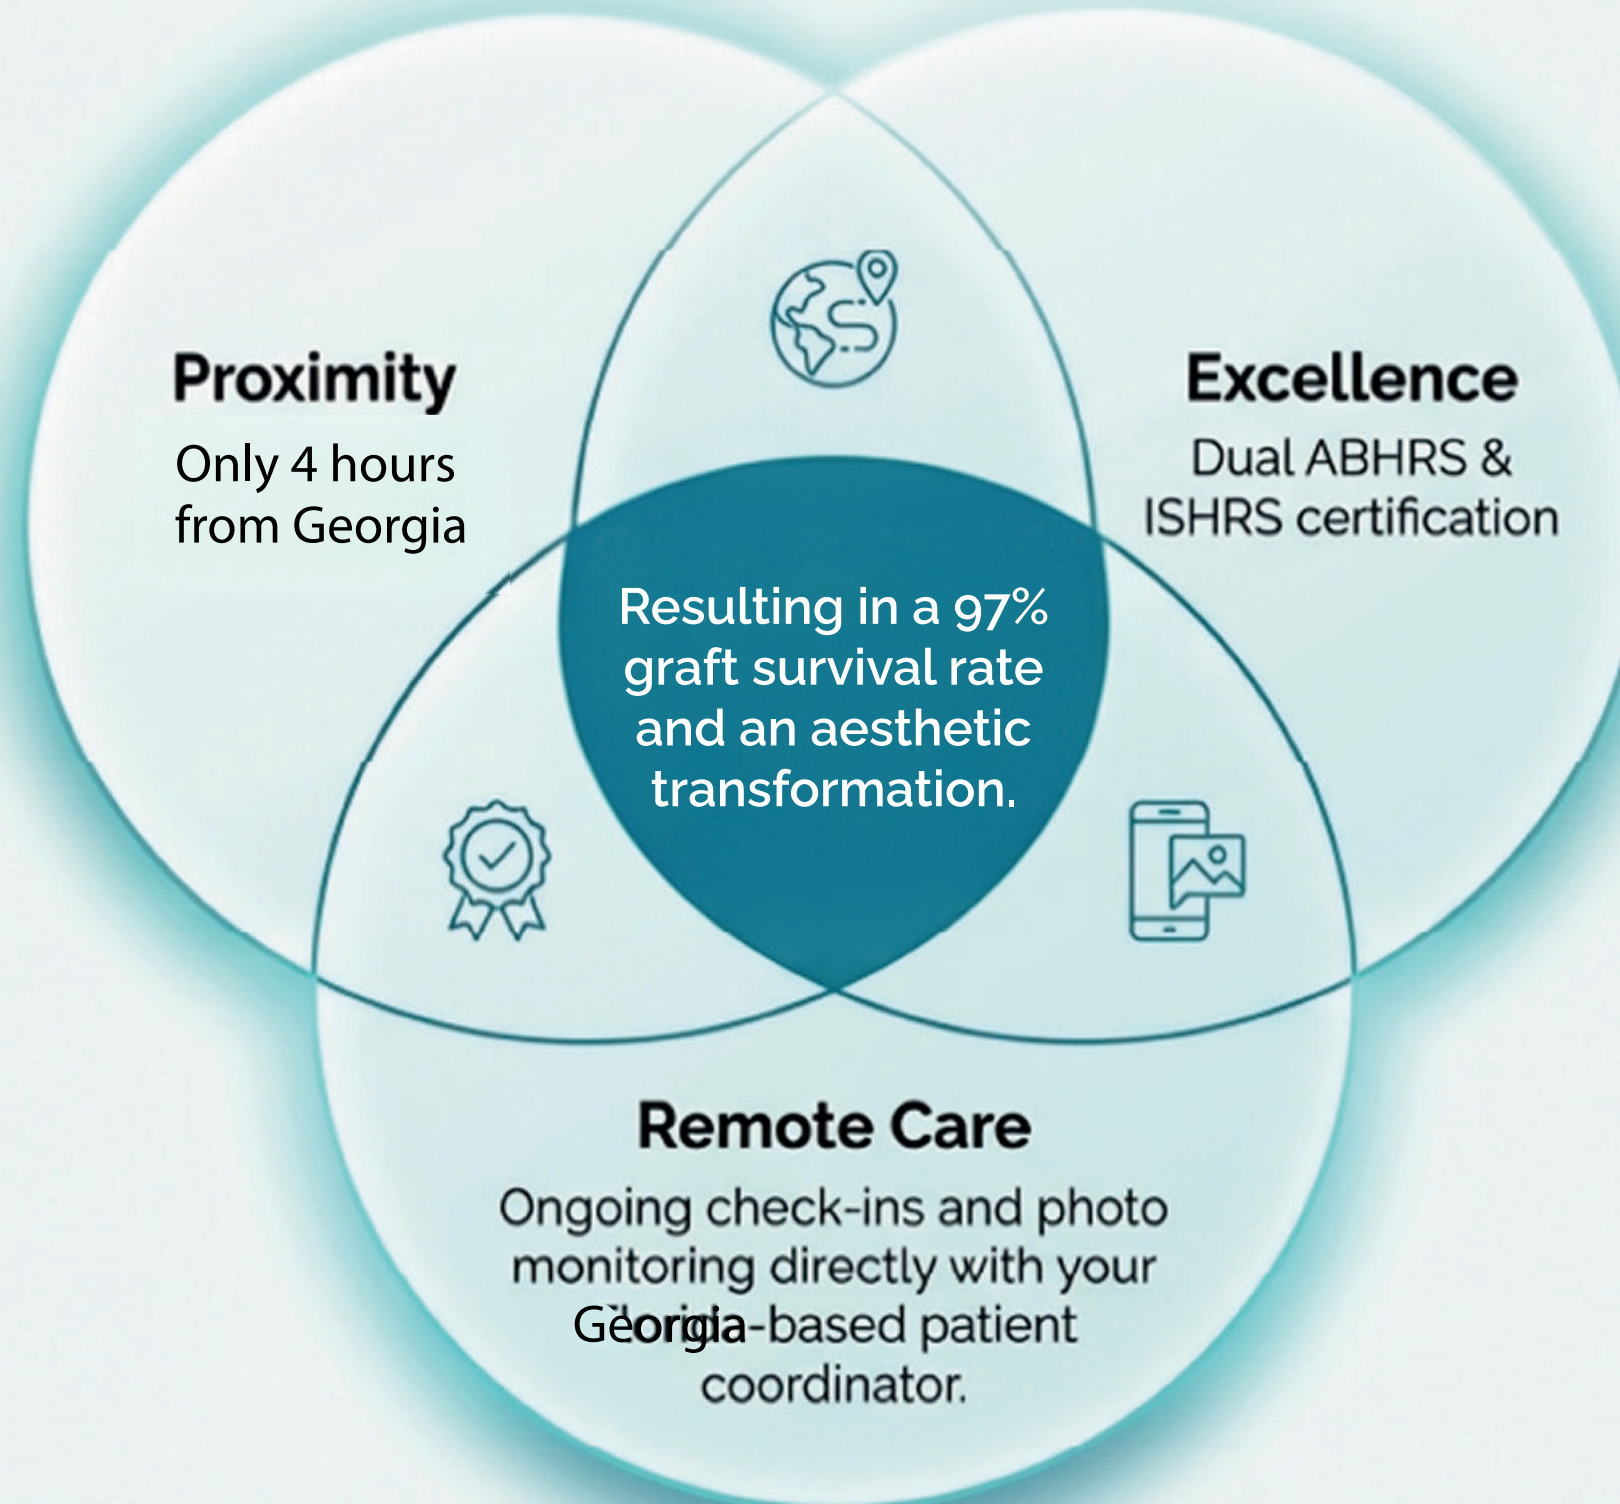

# The Recovery & Growth Curve

A gradual, natural transformation.

# Geographic Distance is Not a Barrier

World-class results supported by continuous remote care.

# Patient FAQs: Georgia to Panama

## Do I need to speak Spanish?

No. The DHI Panama team is fully equipped to assist English-speaking patients at every step.

## Do I need to exchange currency?

No. Panama uses the U.S. dollar as its official currency.

## Can I fly back immediately?

Many patients return on Day 3. Your medical team will provide specific guidance based on your recovery.

## Is the clinic certified?

Yes. It is led by Panama's only ABHRS & ISHRS certified surgeon.

# Ready to Begin Your Hair Restoration Journey?

Your confidence, your hairline, your journey — it starts with one step. Complete your evaluation today to receive your personalized treatment plan.
